

NewSoft Welcomes All to Visit Us at Business Show 2006!

 ビジネスショウ TOKYO 2006

May 17-19, 2006

Exhibition Dates: May 17 -19, 2006

Venue: Tokyo Big Sight

Our Location: IT&C Zone, IR-05

Business Show 2006 is fast upon us, and NewSoft, aiming at providing the best solutions for greater office productivity, will showcase its brand new Japanese software solution, Presto! Forms, which provides a very convenient tool for users to scan and edit pre-printed forms. In addition, NewSoft will also demonstrate its latest software versions for document management and sharing for enterprise users, and as well as an advanced wireless video relay solution that allows users to watch TV and video programs through their laptops.

NewSoft welcomes your visit to our booth during the exhibition, and please feel free to contact us in advance to ensure sufficient samples for your evaluation.

Come and discover what NewSoft can do for you at Business Show 2006!

Featured Products:

• Presto! Forms

The most convenient tool for creating and filling out forms, and is especially designed for users to scan and edit pre-printed forms!

• Presto! PageManager 7

The perfect solution for managing and sharing documents, and provides an efficient way to control and share documents!

• Presto! WVR 100A

The perfect solution for your digital home that enables a user's laptop to be transformed into a portable TV, allowing users to watch video programs anywhere!
