

NewSoft invites all to visit us at ISE 2007!

Exhibition Dates: January 30th - February 1st, 2007

Our Location: Amsterdam RAI, Hall 1, M140

ISE 2007, Integrated Systems Europe, Europe's leading AV and Electronic Systems Integration showcase, will be held from January 30th to February 1st at the Amsterdam RAI in the Netherlands. NewSoft is proud to announce its latest wireless projection technologies at this year's ISE.

NewSoft's new product solutions include the award-winning **WMS100 Image**, **WMS200 Video**, and **Presto! WMS 2.5 Deluxe**, an upgradeable software application for WMS 100 Image, that allows a single projector to display up to four different presentations on the same screen simultaneously.

NewSoft's booth is at M140 in Hall 1 at the Amsterdam RAI. We welcome your visit to our booth, and please feel free to contact us in advance for pre-scheduled appointments.

Featured Products:

- **WMS 100 Image: Supports both PC & Mac operating systems**
- **Presto! WMS 2.5 Deluxe: An upgradeable software for WMS 100 Image**
- **WMS 200 Video**
