

# NewSoft welcomes all to visit us at InfoComm 2007!

**Exhibition Dates:** June 19 - 21, 2007

**Our Location:** Booth 3843, Anaheim Convention Center, Anaheim, California

NewSoft is pleased to invite you to join us at InfoComm 2007, beginning June 19th through June 21st. NewSoft this year will be showcasing its newest wireless AV technologies that focus on wireless projection solutions.

**Featured Products:**

- **WMS 100 Image** is the ideal wireless projection solution that can wirelessly broadcast screen-captured images from any Wi-Fi enabled computer to multiple VGA/ SVGA/ XGA projectors incorporating hardware adapters.
- **WMS 200 Video** is the ideal wireless broadcast solution that enables PowerPoint presentations and screen-captured images from Wi-Fi enabled notebooks or PCs anywhere in the room to be broadcasted to the projector by using wireless LAN technology.

We welcome your visits to our booth during the exhibition! Come and discover what NewSoft can do for you!
